

Memorandum of Understanding signed for sharing knowledge and Technical expertise between ICAR ISRI Lucknow and Post Graduate College, Patti, Pratapgarh

A Memorandum of Understanding (MOU) has been signed on March 24, 2026, by Dr. Dinesh Singh, Director, ICAR- Indian Sugarcane Research Institute, Lucknow, and Dr. Akhilesh Pandey, Principal, Post Graduate College, Patti, Pratapgarh, U.P. This MOU facilitates the sharing of scientific expertise and the exchange of research ideas in the field of cutting- edge new technologies through collaborative efforts in research, education, extension, and training related to sugarcane and allied sugar crops. The collaborative relationship forged through the agreement is expected to promote relationship building for the welfare of farming community, mutual and inclusive R&D growth, and advancement in field teaching, extension, and research. The MOU signing ceremony was accomplished in the presence of staff from ICAR-ISRI, Lucknow and Dr. Akhilesh Pandey, Principal, Post Graduate College, Patti, Pratapgarh, U.P. The scientific staff present on this occasion were Dr. S. S. Hasan, Principal Scientist (Computer Application), AKMU; and Dr. L.S. Gangwar, Principal Scientist, I/c AKMU & ITMU, ICAR-ISRI, Lucknow.
